

Motylki latają z kwiatka na kwiatek różnymi drogami. Poprowadź kolorowymi kredkami ich drogi.

The tracing area contains five rows of dotted lines. The first row features a butterfly on the left and a flower on the right, with a path of loops connecting them. The second row is a continuous chain of circles. The third row is a continuous chain of arches. The fourth row is a continuous chain of figure-eight shapes. The fifth row is a continuous chain of vertical ovals.
